Memo.No.Spl/Covid -19/2020

Dated:06.03.2020

**Sub :** Drugs Control Administration - Regulating the sale and distribution of N95 Masks & Personal Protective Equipment , Hand Sanitizers and , Related Medicines -Instructions issued -Regarding  
-oOo-

All the Drugs Inspectors in the State are instructed to inspect the medical shops regularly, and verify the sale and distribution of N95 Masks & Personal Protective Equipment , Hand Sanitizers and , Related Medicines .

It has come to the notice that, some of the medical shops owners are hoarding/black-marketing the said items in view of the exponential demand in the market. Official should sensitize all Chemists and Druggists of the State to keep adequate stock of these products and distribute them judiciously to the customers by issuing suitable advisories. Chemists and Druggists should be advised not to indulge in unhealthy practices of withholding/hoarding of stocks and black-marketing/overcharging of these items.

The Drugs Inspectors should inspect & verify from the sales bills at Medical Shops, whether the referred items are sold in accordance with the Maximum Retail Price printed on the commodities or not. If not, suitable action should be contemplated against violators. Information of overcharging of Masks. if any detected in Medical shops should be informed for necessary action. The Assistant Directors should monitor and supervise the Drugs Inspectors accordingly and report to Headquarters.

In the larger interests of public health, the instructions are to be strictly adhered to.
