

Press Release

Public Advisory on Prices of Essential Medicines

The Government of India fixes **Ceiling Prices for Essential Medicines**, i.e., medicines listed in the 'National List of Essential Medicines (NLEM) - NLEM-2022'.

The Maximum Retail Price (MRP) of such products shall not exceed the Ceiling Prices plus GST (12%).

'Pharma Sahi Daam' website provides the **Ceiling Prices** fixed by the Government for Essential Medicines.

'Essential medicines' are those that fulfill the priority healthcare needs of the majority of the population. The compilation of "essential medicines" lists is specific to each country and takes into account factors such as the disease burden of the nation, the commonly used medicines at primary, secondary and tertiary healthcare levels, and the cost-effectiveness of medicines etc. in the country.

In India, "Essential medicines" are listed under the **National List of Essential Medicines (NLEM)** published periodically by the Government of India. The most recent National List of Essential Medicines (NLEM) was published in 2022.

The essential medicines listed under the **National List of Essential Medicines (NLEM)** are subject to price control as per the **Drugs (Prices Control) Order, 2013** and the prices of 'Essential Medicines' shall be in accordance with the '**Ceiling Price**' fixed by the National Pharmaceutical Pricing Authority (NPPA), Government of India.

The **Maximum Retail Price (MRP)** is calculated by adding the Goods and Services Tax (GST), which is 12% for the majority of medicines, to the Ceiling Price fixed by the Central Government. Therefore, **MRP equals Ceiling Price plus GST**.

The public can refer to the '**Pharma Sahi Daam**' website, which provides information on the **Ceiling Prices** fixed by the National Pharmaceutical Pricing Authority (NPPA), Government of India.

The public can verify overpricing of the medicine by following these steps:

Firstly, the medicine should be an 'Essential Medicine'. Please note that the Government of India fixes 'Ceiling Prices' **only for** Essential Medicines.

For example:

Itraconazole Capsules 200 mg is an essential medicine as per the National List of Essential Medicines (NLEM)-2022. Itraconazole Capsules 200 mg are manufactured by various companies under several brand names, such as Canditral 200, Zole-IT 200, etc.

To search for the **Ceiling Price** fixed for Itraconazole Capsules 200 mg, the public may visit the '**Pharma Sahi Daam**' website.

The screenshot shows a web browser window with the URL <https://nppaidms.gov.in/NPPA/PharmaSahiDaam/searchMedicine>. The page header includes a navigation bar with links to Google, DCA, ODLS, DSCSA, Approved Drugs, WHO Guidelines, Guidelines: ICH, Drugs@FDA, SUGAM, CDSCO, Gov.in, Medical Devices, and Other favorites. The main header features the 'PHARMA SAHI DAAM' logo and an 'Instructions' button. The search section is titled 'QSEARCH MEDICINE' and contains two radio buttons: 'Search Medicine Price' and 'Ceiling Prices of Essential Medicines'. The 'Ceiling Prices of Essential Medicines' option is selected. Below the radio buttons are three input fields: 'Search Scheduled Formulation:' with a dropdown menu showing 'ALL', 'Strength:' with a dropdown menu showing 'All', and 'Dosage:' with a dropdown menu showing 'All'. A green 'GO' button is positioned below the 'Strength' dropdown.

- 1) Select the option '**Ceiling Prices of Essential Medicines**'
- 2) Then enter the medicine name 'Itraconazole' and strength '200 mg' in the search boxes available on the page.
- 3) The Ceiling Price fixed for the product appears on the page.

Overpricing of essential medicines is a violation under the Drugs (Prices Control) Order, 2013, and stringent action shall be taken as per the law against violators.

The public may report any complaints regarding **overpricing** through the **Drugs Control Administration, Telangana Toll-Free Number 1800-599-6969**, which is operational from 10:30 am to 5:00 pm on all working days.
