The abuse of habit-forming drugs such as Codeine syrups and Nitrazepam Tablets can lead to severe physical and psychological

consequences. These substances are often misused for their sedative effects, which can result in addiction and dependence. Continued misuse or overdose of these drugs can cause respiratory depression, seizures, coma, and even death.

Alprazolam is used to treat anxiety disorders, panic disorders, anxiety associated with depression, and insomnia. However, its potential for addiction and habit-forming is very high. Abuse of alprazolam can lead to a range of adverse effects, including addiction, physical dependence, tolerance, and withdrawal symptoms upon discontinuation.

Misuse of Alprazolam can result in sedation, drowsiness, dizziness, confusion, impaired coordination, memory problems, and respiratory depression, especially when combined with alcohol or other central nervous system depressants. Long-term abuse of Alprazolam can have serious consequences for both physical and mental health, including cognitive impairment, mood disturbances, and an increased risk of accidents.

Due to their potential for abuse and addiction, habit-forming drugs are classified under Schedule H1 and Schedule X of the Drugs and Cosmetics Act. Drugs listed in Schedule H1 and Schedule X are those with a high potential for abuse or indiscriminate use and are subject to stricter regulations regarding their sale. Inclusion in Schedule H1 or Schedule X means these drugs can only be sold by retail pharmacies with a prescription from a registered medical practitioner.

The illegal sale of habit-forming drugs is a serious offence and is punishable under the Drugs and Cosmetics Act. Stringent action will be taken

against medical shops that violate the provisions of the Drugs Rules regarding the sale of habit-forming drugs.

The public may report any complaints regarding the illegal sale of habit-forming drugs by medical shops and other illegal activities related to medicines through the Drugs Control Administration, Telangana Toll-Free Number 1800-599-6969, which is operational from 10:30 am to 5:00 pm on all working days.
