The details are as follows:

Based on intelligence gathered by the Drugs Control Administration officials, raid was conducted at the premises of **Arvind Pharma Distributors**,

located in SBI Staff Colony, Gandhinagar, Hyderabad, leading to the detection of **Spurious Drug (Counterfeit Version) 'Levipil 500' Tablets** (Levetiracetam Tablets 500 mg), which were seized by the DCA officers on 4<sup>th</sup> July, 2025.

Levipil 500 Tablet is an anti-epileptic medicine used to treat seizures (fits) in epilepsy.

A comparison statement for the suspected batch was obtained from the original manufacturer, **Sun Pharma Laboratories Ltd.**, against the corresponding genuine batch. The manufacturer confirmed that the batch of 'Levipil 500' Tablets (Levetiracetam Tablets 500 mg) detected by the Drugs Control Administration were indeed **"Counterfeit Drugs"**.

In connection with the detection of Spurious Drugs, Drugs Control Administration officers arrested **Manish Kumar**, Partner-cum-Competent Person of **Arvind Pharma Distributors**, located in SBI Staff Colony, Gandhinagar, Hyderabad, for dealing with Spurious (Counterfeit) Drugs on 8<sup>th</sup> July, 2025.

The above-mentioned dealer was arrested by the Drugs Control Administration officers and produced before the Hon'ble X Additional Chief Judicial Magistrate (ACJM) Court, Secunderabad.

**The Hon'ble X Additional Chief Judicial Magistrate (ACJM) Court, Secunderabad, Hyderabad, ordered judicial remand for the accused until 23<sup>rd</sup> July, 2025, following which the accused was sent to Chanchalguda Jail.**

Spurious drugs pose a significant threat to public health, endangering patients' well-being. These drugs not only fail to treat the intended diseases but can also lead to severe health complications over time.

Further investigation is in progress to trace the source of the counterfeit drugs and to identify others involved in this illegal activity.

The Drugs Control Administration remains committed to safeguarding public health by ensuring the quality, safety, and efficacy of medicines made available to the public. The DCA is actively working to ensure the removal of spurious drugs from the market.

**The Drugs Control Administration shall maintain a policy of zero tolerance towards dealers, medical shops, and pharmacies found involved in the distribution or sale of spurious or counterfeit drugs. Stringent legal action shall mandatorily be initiated against all such offenders, ensuring that they are brought to justice as per law.**

The Department urges the public and all stakeholders to remain vigilant and promptly report any suspected medicines to the nearest Drugs Control office.
