Ethiopian Delegation Visits Drugs Control Administration, Telangana

The Ethiopian Delegation, comprising representatives from Ethiopia's Ministry of Health, the Ethiopian Investment Commission, Ethiopian Pharmaceutical Procurement Services, the Industrial Parks Development Corporation, and representatives of the World Bank, visited the Office of the Drugs Control Administration (DCA), Telangana, on 20th November.

During the visit, DCA Telangana presented its regulatory functions, field enforcement activities, and the various measures undertaken to ensure the availability of quality drugs to the public in the state.

The Ethiopian Delegation expressed appreciation for the insights shared and stated that the relevant learnings would be applied in the context of Ethiopia's regulatory systems.
